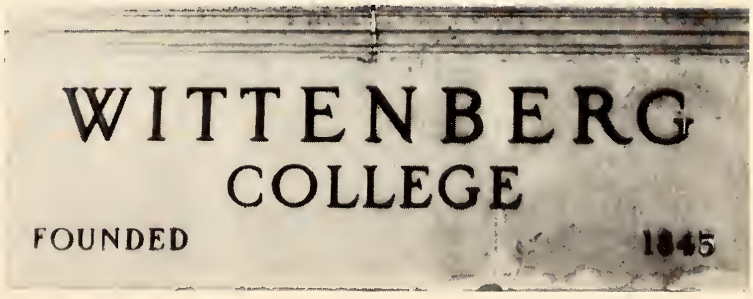
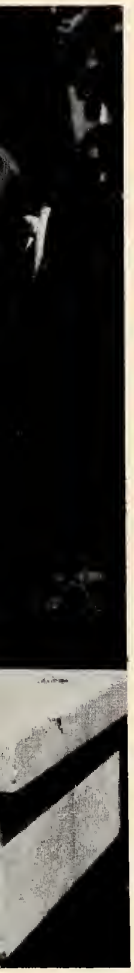
Here is Wittenberg. A Tradition . . . the impress of her past . . . symbolized in the red-brown tower of Reci. A Solemnity . . . a surrounding quiet . . . found in the rich green foliage of Spring. A Purpose . . . enriching . . . as noble as the upward reaching trees. A Gaiety . . . the collegiate . . . a bright spot of sunlight on the somber leaves. This is Wittenberg . . . this . . . and more . . .



A TRADITION . . .

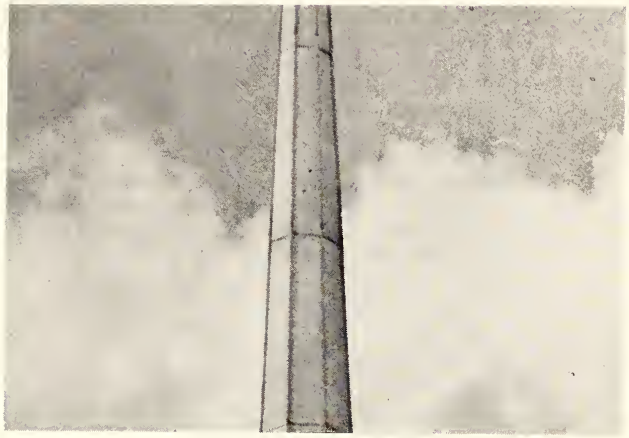
. . . a memory . . . the living past upon which the future rests . . . important . . . trivial . . . changing . . . unchanged . . . repeated every generation . . . . never quite the same . . . all part of college life . . . part of Wittenberg . . .

SUCH IS LIFE



A SOLEMNITY . . .

. . . the quiet . . . a dignity . . . the search for one's self . . . for God . . . for knowledge . . . the refreshing calm . . . a stillness . . . concealing . . . revealing . . . the elusive Truth . . . it's here . . . it's part of Wittenberg . . .



A PURPOSE . . .

. . . educating . . . enriching . . . preparing . . . the basis for a college. Here there is more . . . developing . . . building . . . Christian lives for service . . . this is the character of Wittenberg . . .

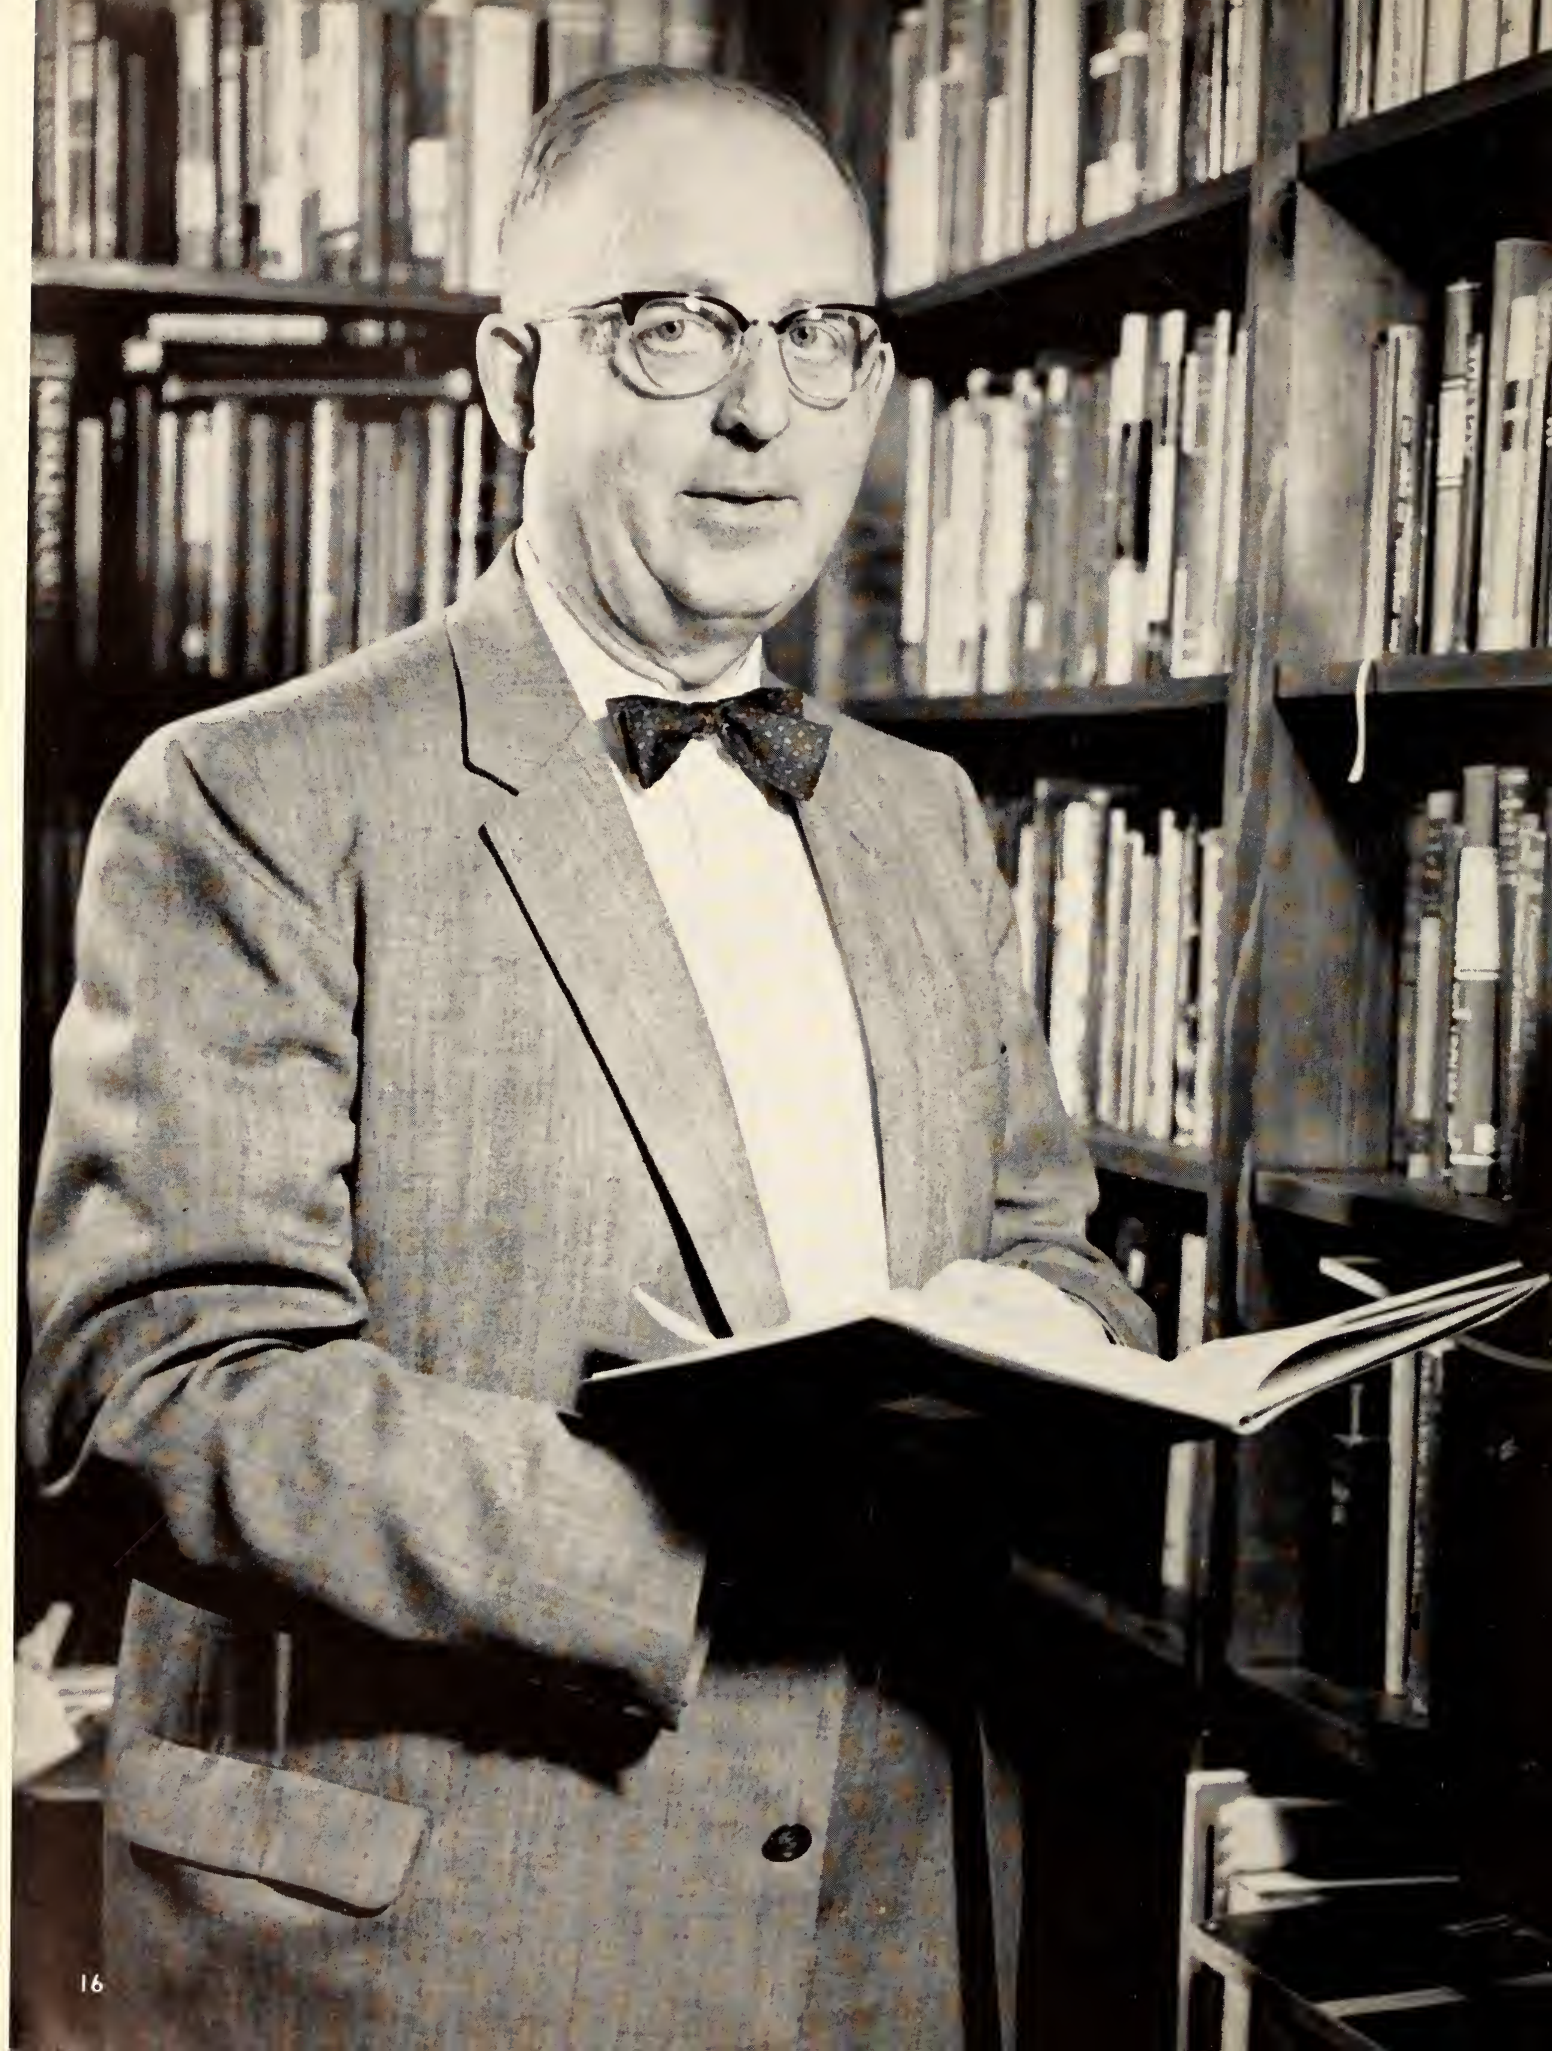
A GAIETY . . .

. . . the brightness of youth . . . the spirit of fun . . . in the countless ways of collegians . . . ribald . . . sophisticated . . . original . . . typical . . . in the way of all students . . . this is part of Wittenberg . . .



A college is something given to us.
It is our heritage from the years
gone by and from thousands of hands
who gave us what we cherish today

A college is something that we
pass on to the generations to follow
us, a heritage made better because
we added our best to it.

In conspicuous measure we at
Wittenberg enjoy both these high
privileges. We are rich in our
inheritance: we are richer still that
we may hand it over, enhanced,
to those who will come after us.
For both we give abundant thanks.

—C. C. STOUGHTON

DR. CLARENCE CHARLES STOUGHTON
President of Wittenberg College

MRS. STOUGHTON

In 1949 Dr. Clarence C. Stoughton became the eighth president of Wittenberg College, succeeding Dr. Rees E. Tulloss. The new president was a former president of Wagner College and a widely recognized lay leader of the United Lutheran Church.

Since that time Dr. Stoughton's personality and ability have led Wittenberg to an enviable position among Christian Colleges in America.

DR. W. EMERSON RECK
Vice President and
General Secretary

DR. ROLAND C. MATTHIES
Vice President and
Treasurer

JOHN N. STAUFFER
Dean of the College

"Even as we have been fortunate in Dean Nystrom's service, we are blessed in Dr. Stauffer."

With these words Dr. Stoughton announced the retirement of Wendell C. Nystrom as Dean of the College and the promotion of Dr. John N. Stauffer as his successor.

We are gratefully aware of Dean Nystrom's devoted service to our college even as we recognize the proven ability of his successor, Dean Stauffer.

"All K. G. really needed for his purposes was his bulky looseleaf notebook and his battered briar pipe; an inner radiance took care of the rest."

—The Sun
September 10, 1957

KARL G. LIND

Those things said in eulogy often seem trite. "K. G." despised triteness. Let us then only say that he shall be missed by all of us.

Perhaps those of us who worked under his direction shall miss him most. We recognized his ability and wisdom; and now, the finest compliment we receive is " 'K. G.' would have liked that."

Uhlar, Fisher, Hillerich, president; Farran, Textor.

FRESHMEN . . .

. . . new and fresh . . . a little green . . . beginning the search . . . enthusiastic . . . ambitious . . . the "best class" . . . beanies . . . pledging . . . building for greater lives.

SORORITIES

ALPHA DELTA PI

1019 N. Fountain

"Gertie," the gypsy, started the year off right for the Alpha Delt's by winning both the best over-all and the best sorority display trophy for Homecoming displays. We are proud of our pledge, Carla Sivadon, chosen Freshman Queen, and of Carol Boyer and Rosaleen Drumel for their parts in "The King and I." We were honored to have Alma Mater, sister Ann Van Meter, living in our house. We enjoyed looking at the awards which President Steph brought back with her from the national A D Pi convention in Nassau last summer. Christmas time brought singing with the Lambda Chi's. After finals the next big event was the Sweetheart Dance at the Springfield Country Club, and to round out a full year, our informal dance in May.

ALPHA XI DELTA

203 W. College Ave.

Filled with enthusiasm after an inspiring Mississippi National Convention, the Alpha Xi's returned to campus eager to begin a new year. Twenty-seven fine pledges, the annual Apple Polishing Party (right before finals!), and the long-awaited formals made it an exciting year. Formal serenades were numerous as several Alpha Xi's became the proud bearers of shiny fraternity pins and sparkling diamonds. Everyone was delighted when Dottie Nussbaum became "Miss Wittenberger" of 1957 and Jan Gonter reigned as Crescent Queen of Lambda Chi Alpha. Time went quickly. Soon Initiation, Parents' Weekend, and the traditional Senior Breakfast brought to a close another successful year for Alpha Xi Delta.

CHI OMEGA

The Chi O's were "Sitting on Top of the World" this year, being proud of senior Marty Blaney, a finalist for Homecoming Queen, their 28 pledges, newly-elected cheerleaders Nancy Tusel and Connie Goodin, and the new house which made them next door neighbors of the Phi Gams. They celebrated by staging a Sadie Hawkins dance in November and followed with a combined pledge banquet and "Christmas Isle" formal. A "Resolution Party" started the New Year off with a set of good chapter resolutions.

DELTA GAMMA

909 Woodlawn Avenue

In September, 1957, the Delta Gammas returned to their home at 909 Woodlawn Avenue, where they were warmly greeted by their new housemother, Mrs. Willa B. Ackert. In December the new Delta Gamma pledges, twenty-five in number, were honored by their actives at a pledge dance. January found the girls dancing to the music of John Chowning at their Winter Formal. The D. G.'s were well represented in campus activities and women's intramurals throughout both semesters. Other highlights of the year included a Spring Formal, informal parties, and a Sock Auction, the proceeds of which went to the National Blind Project.

DELTA ZETA

923 N. Fountain Avenue

The year 1957-58 was a tremendous one for Delta Zeta. Soon after their arrival on campus in September, the alums sponsored a "Welcome Back" picnic for the actives and twenty-six enthusiastic pledges. Fall flew by with Homecoming, the pledge dance, and our winter formal, "Carol in Gold." We especially enjoyed "The King and I" with Lucy Musser as a student director.

Christmas time brought the D.Z.'s and Lambda Chi's together to fix toys and dress dolls for Inner Mission. The spring work session to raise money for our national philanthropy was fun for the whole chapter.

A busy and fun-filled semester was highlighted by initiation, the annual bridge tournament, the Sing, the spring formal, and ended with the "Goop Dinner" and Senior Banquet.

GAMMA PHI BETA

The Alpha Nu Chapter of Gamma Phi started the 1957-58 school year in high spirits by pledging nineteen outstanding girls. Following pledging were the exciting days of Homecoming displays—our theme being, "We are holding our line for victory." The eventful year brought forth two pledge dances; one given in honor of the new pledges and the other given in honor of the actives, and our Founders' Day Banquet with our most helpful alums at the Rustic Inn. Our annual orphan's Christmas party at the chapter house and the memorable Christmas formal at the Shawnee Hotel were two events which made our Christmas very happy. Second semester activities included the annual Big and Little Sis Banquet, activation, and a second River-Boat Party at Cincinnati.

First row: Anderson, Shipley, Rahn, LaFon, President; Fife, Ridge, Corresponding Secretary; Jann, Trimble.

KAPPA DELTA

This year was another exciting one at 602 N. Wittenberg. All were thrilled with 27 enthusiastic pledges, who were later honored at a Big and Little Sis Breakfast and "Indian Summer" pledge dance. Homecoming weekend brought the "Tiger Taxidermy" display, entertainment for alumnae, and a queenship for Eileen Bradley. The 30th anniversary of Alpha Nu chapter was celebrated December 15 with a reception for area alumnae. Climaxing the holiday season was the winter formal, "Nocturne," and the traditional and treasured Christmas dinner. Second semester . . . the Steak and Bean Scholarship Supper inspired new academic efforts. Filling the spring calendar were initiation and accompanying activities, the Intersorority Sing, Parents' Weekend, and a formal, along with the usual informal sorority and fraternity get-togethers.

WITTENBERG INDEPENDENT COEDS

With the arrival of the football season, the Wittenberg Independent Coeds began one of their major projects of the year, that of ushering at the home games. The group's service projects consisted of an evening of caroling at nursing homes and a Christmas party for the children at the Inner Mission. The W I C's took part in the Intersorority Sing, and throughout the year they were active in intramural. The group also enjoyed a number of social events, including a come-as-you-are party in February and a spring formal in May.

ALPHA TAU OMEGA

Alpha Tau Omega was well represented in campus activities this year with especially good distribution among all varsity sports. We also had three men in Blue Key, two men in Pick and Pen, five men in Shifters, and a justice of Student Court among our ranks.

Alpha Psi's Diamond Anniversary Celebration (75 years) was observed this year when she was host to the Joint Ohio Conclave of Alpha Tau Omega.

Social functions were not lacking as two formals and an annual Sweetheart Dinner and several other dances were held during the course of the year.

The president of the I.F.C. Pledge Council was an A.T.O. pledge; and during Help Week, the active chapter cleaned and painted the Y.M.C.A.

BETA THETA PI

105 W. McCreight Avenue

The ninetieth year of Beta Theta Pi at Wittenberg College has been another fine one. The brothers started the third year at 105 W. McCreight with a successful rush program. In October the display brought Alpha Gamma another first-place trophy in the Homecoming competition. The new Mascot, Tuxedo I, was acquired in the fall. "Tux," a huge St. Bernard, is popular with everyone, but its favorite is the Beta's wonderful cook, "Annie." Alpha Gamma athletes, led by all-Ohio basketballer Terry Deems, kept bringing home laurels for Wittenberg and the chapter. Campus honoraries were again well stocked with wearers of the diamond and three stars; Blue Key, Pick and Pen, Shifters, and honorary fraternities had Betas in their ranks.

DELTA SIGMA PHI

Delta Sigma Phi began the year with 38 actives and 20 pledges. Heading the social calendar were the November Pledge Dance, the December Founders' Day Banquet and Formal, and the May Carnation Ball.

Delta Sig's place on campus was felt through effective leadership of its brothers, including George Benson as President of I.F.C., George Wise as President of the Wittenberg Choir, Dennis O'Keefe as head of Blue Key and Beta Beta Beta, Paul Pinkert as head of Theater Guild, Howard Pospesel as President of Phi Eta Sigma, and Jim Bartos and Don Hillerich as Presidents of the Sophomore and Freshman classes. The chapter was well represented on varsity swimming, wrestling, and tennis teams, as well as in A Cappella Choir, Chapel Choir and band.

The chapter's program, "Engineered Leadership," was inaugurated at Wittenberg in 1954, and was adopted as official program of Delta Sigma Phi at the National Convention this year.

Nu Zeta chapter of Lambda Chi Alpha began the year by pledging 18 men. Soon to follow was the "Victory" blimp for Homecoming weekend. Lambda Chi took first place in handball, as well as a first place in the swim meet and runner-up in flag football. The crowning of Janice Gonter, pinmate of Brother Mires Stine, as Crescent Queen, highlighted the White Rose Formal, Lambda Chi's biggest event of the year. Another featured activity was "Constantinopleitanischerdubelsachmachersgesellenherbergsvatervolksfest," Nu Zeta's pledge dance, planned along a German folk theme. The outstanding event of the spring semester was the return of alumnus Curil F. "Duke" Flad to speak at the Founders' Day Banquet, March 16.

Wittenberg's Fijis entered their 73rd year well represented on campus, with Sounds Editor and Student Senate Vice President, Dick Veler; Student Senate Treasurer, Ted Linham; Wittenberger Editor, Gary Williamson; Torch Editor, Jon Joyce, and Torch Managing Editor, Al Doctor. When the football season ended, all Phi Gams were proud when Tom Kurth, Earl Fry and Ron Lancaster were named to the Ohio Conference first team and Jim Arthur and Joe Creviston were the Lutheran managers.

The annual Christmas orphan's party was held with the help of the Delta Gamma Sorority. All shaving devices were discarded for the annual Jeff Duo dance and beard-growing contest in February. The social season was climaxed in the spring with the Fiji Island Party and the Orchid Formal.

PHI KAPPA PSI

Brandy, the mascot of the Ohio Beta Chapter of Phi Kappa Psi, has been an integral part of the activities of the house throughout the 1957-58 year. She has acted as overseer for the homecoming preparations and became the quasi-official greeter of all returning alumni. She attended all football games to cheer Jim Kunde and Denny Walterreit. She was always pleased to have the privilege of attending all the functions in the house, but took great offense when several of our formals and parties were held out of the house. Brandy is looking forward to next year and is hoping to induce a Shifters bid from Wally Hiskett and Bill Mock. She is attempting to prove to Tim Masten that she would make a spirited member of Rho Beta Epsilon. She also hopes that she will receive an invitation from Larry Nelson to join Tau Pi Phi.

PI KAPPA ALPHA

625 Woodlawn Avenue

Celebrating the 90th year of the fraternity, Gamma Zeta has added a new look to fraternity life on campus. The Pi K. A.'s welcomed the fall semester with a dance party at the Neal Temple. Following a few exchange parties with the Ohio University chapter, Gamma Zeta held its Snow-Ball Formal on December 7, in an atmosphere of dream-like snow mist. Founders' Day, March 2, culminated a series of alumni dinners which were held monthly throughout the year. Included in the social calendar were a Sweetheart Dinner, a Mardi Gras party, the District Five Basketball Tournament, and the annual Dream-Girl Formal. At the Dream Girl Formal, Esther Raynal, last year's Dream Girl, crowned the new Dream Girl, chosen this year by the chapter.

DORM LEAGUE

Starting out its second half-century as Wittenberg's only fraternal group without national affiliation, the Dorm League was proud of its high scholastic record of past years. Firestine Hall was welcomed as a new home for several of its members. The formals in January and in May were delightful highlights of the social year. Karl Weick became a member of Blue Key; Tony Wilcox was a star in Varsity basketball. Two of its members were in Shifters; others took prominent parts in the band, dramatics, and in various scholastic clubs and honoraries.

PICK AND PEN

Outstanding leadership, personality, character, participation in campus activities, and scholarship are prerequisites to membership in Pick and Pen, honorary fraternity established at Wittenberg in 1924. Men who exhibit these qualities are tapped for membership in the spring of their sophomore year.

SHIFTERS

Thumbs up! This and "the right attitude" wins a bid to Shifters, a national organization shrouded in secrecy. The group taps for membership during each semester of the school year. Those tapped must discover both the secret meeting place of the group and "the right attitude" before being admitted to active membership. Pledges wear overgrown safety pins as badges of honor, exchanging them for the paper clip of active membership after having discovered the secrets of the group. The rest of the campus remains mystified . . . and curious.

THE MARCHING BAND

The Wittenberg Marching Band, under the direction of Robert C. Dolbeer, provided us with a fresh and different routine during intermissions at each football game. Led down the field by high-stepping drum major Bob Roberts, the 46 members of the group aided tremendously in spurring both crowd and team to new heights of enthusiasm.

JOHN CHOWNING COLLEGIATES

The Collegiates formed in the fall of 1956 by way of a get-together in a crowded practice room of the School of Music. They began to play for dances on campus and in the Springfield area, with addition of a Wittenberg alumnus on tenor sax. The summer of 1957 the trio spent thirteen weeks in a restaurant on the east coast, and just before returning to school went to New York to record on L.P. record at the RCA Victor studios.

George Lindamood, John Chowning, Dave Arnold.

WOODY HERMAN

Woody Herman and his "Third Herd" jazz band invaded the Field House on October 25 for a joint concert and dance program. The 16-piece band played to an enthusiastic audience, their selections ranging from rhythm and blues to modern jazz with a Dixieland beat. Invitations were extended to include area residents and students of district colleges as well as Wittenbergers.

All-Ohio Coach-of-the-Year

Determination, desire, and ability were the achievements of the 1957 edition of Wittenberg's Fighting Tigers. Again mentored by Bill Edwards, the Crimson compiled a record of 7-2-0, garnering for them a share of the Ohio Conference title with Denison, and a high regard in Midwest grid circles.

Wittenberg received additional laurels when Ron Lancaster, Tom Kurth, and Earl Fry were placed on the All-Conference team.

A sell-out crowd filled Tiger Stadium for the home and season opener with Akron in what proved to be a bigger game than was anticipated. A first quarter safety decided the victor as the Tigers succumbed, 7-9. Led offensively by Bellisari and Weiss, the Tigers copped their first win by blanking Marietta, 27-0.

The Lutherans traveled to Findley to pull a major upset by completely outplaying Heidelberg, 34-6.

Before a Homecoming throng of over 5,000, the Tigers again foiled the experts by taking Muskingum into camp by a 33-7 tally.

Mount Union was the next victim of the rolling Tigers, falling 51-7. Kasunick displayed phenomenal running by grounding out 135 yards, averaging 16.9 yards per carry.

Wittenberg visited Dixie the following week, and continued to roll, dumping Washington and Lee, 61-26. Sophomore standouts Murphy and Smith paced the Tiger offensive machine. Murphy tallied four times, and Smith ran up a total of 140 yards in 12 carries.

Wittenberg went all-out to down a fired-up Wooster aggregation, 19-13, for their sixth victory in succession. A Dad's Day crowd witnessed Yoder crash over from the one-foot line for the decisive score.

Wittenberg engaged traditional rival Ohio Wesleyan for a conference tie and came out of a rugged struggle as 20-13 victor. The win marked the first over the Bishops since 1929, and it returned the Old Indian Skull to the Wittenberg campus.

Having concluded the conference season, the Tigers visited Western Kentucky and closed the year with a 28-13 defeat at the hands of the Hilltoppers.

A hard-earned lift but it was worth it.

Tony Wilcox, Terry Deems, Bernie Thompson, Eldon Miller, Tony Vedova, Coach Ray Mears.

The 1957-58 Tiger quintet, in addition to establishing the most impressive record in several decades of Wittenberg basketball, 19-3, afforded Crimson supporters excitement and surprises throughout the campaign.

Under the able leadership of Ray Mears, in his third year as Wittenberg coach, the Tigers went into the final Ohio Conference contest with Akron sporting a clean conference slate, and proud of a successful trip to the East over the holidays. The Wittenberg contingent, none of which was a senior, promises big things to come in the future.

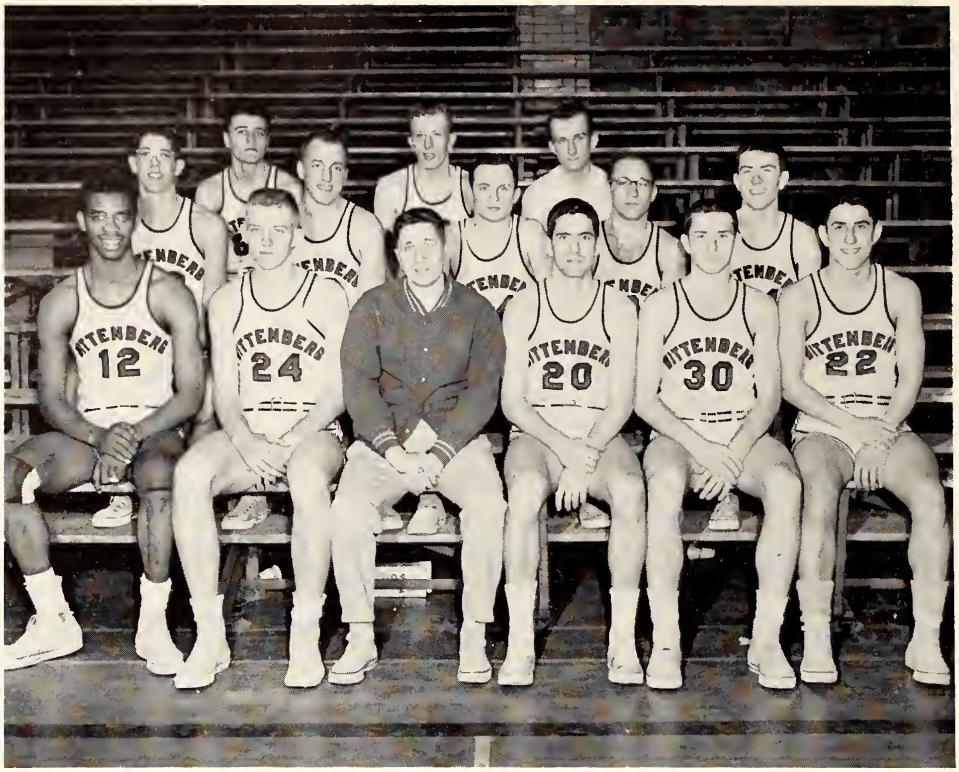
Although fourth in the nation defensively, the victorious campaign must alse be attributed to an offensive punch which garnered as many as 105 markers in a game against Marietta, and a consistent winning margin of thirty or forty points. Balanced scoring, the fast break, and a definite display of teamwork highlighted the season, as the Tigers continued their home victory skein over two seasons.

Arch rival Capital again proved a match for the Crimson in each of two engagements. In the first encounter at Columbus, Wittenberg failed to establish a comfortable lead until late in the second quarter. The return bout at the Field House saw the Tigers enjoy two leads, The first—a 2-0 margin—and the second—a 61-60 advantage to end the game.

At Akron, the Tiger powerhouse faltered enough to enable the Zippers to cop a 46-49 victory, the conference crown, and a berth in the N.C.A.A. small college playoffs.

No other title would be more appropriate for this year's Tigers, the "team." As a team, the Tigers ranked fourth in total team defense in the nation, and were rated as one of the top twenty small college contingents.

Individual honors went to Terry Deems who was selected most valuable player in the conference. He is the second junior in the history of the conference to receive this honor.



First row: Wilcox, Deems, Coach Mears, Thompson, Miller, Vedova.
Second row: Fisher, Rader, Weiss, Brame.
Third row: Wolfe, Funderberg, Boehlefeld.

Wrestling entered its second year as a varsity sport at Wittenberg. The team started the season with many new recruits and several veterans. The team, led by captain Earl Fry, lost its first two matches by close decisions. Wittenberg then earned its only win of the year defeating Denison in their second meeting of the year. Due to injuries and many difficulties the team strength was weakened. The next four matches were lost to very good teams. Wittenberg sent four men to the conference meet at Denison, but only Don Kovach reached the semi-finals. Coach George Davis is looking for a better season next year with the team only losing heavyweight Earl Fry. TENNIS

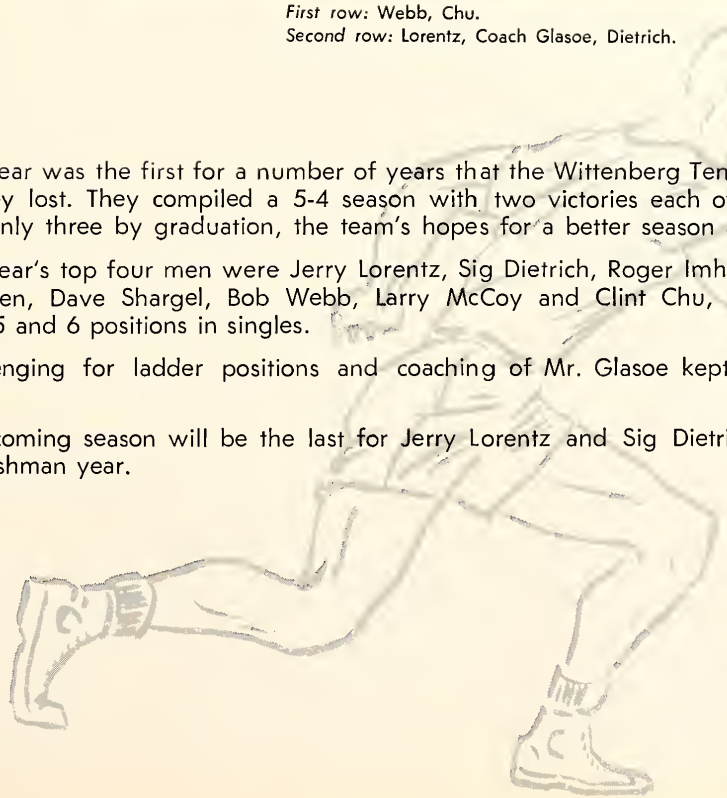
First row: Webb, Chu.
Second row: Lorentz, Coach Glasoe, Dietrich.

Last year was the first for a number of years that the Wittenberg Tennis team won more matches than they lost. They compiled a 5-4 season with two victories each over Capital and Muskingum. Losing only three by graduation, the team's hopes for a better season are high.

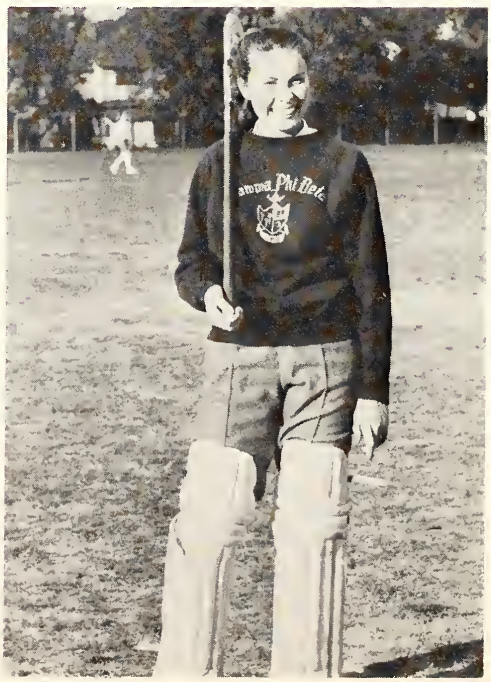
Last year's top four men were Jerry Lorentz, Sig Dietrich, Roger Imhoff, and Ed Ullery, with five other men, Dave Shargel, Bob Webb, Larry McCoy and Clint Chu, and Jim Marsha battling it out for 5 and 6 positions in singles.

Challenging for ladder positions and coaching of Mr. Glasoe kept the boys in top shape and spirit.

This coming season will be the last for Jerry Lorentz and Sig Dietrich, who have played since their freshman year.



WOMEN'S SPORTS



First row: Voorheis, Marsh, Scott, Sadler, Oudegeest, Peterson.
Second row: Sohner, Fircke, Holden, Mrs. Dillahunt, Wycoff, Ehrhardt, Friend.

Natural Gas plays a role of ever-increasing importance in modern living. It's the raw material from which modern "synthetics"—nylon, dacron, plastics—are made. Gas also helps industry to manufacture countless other products that you use every day. Remember, too, that whatever the job—cooking, refrigeration, water heating, clothes drying, incineration, house heating or air conditioning—there is no more efficient, economical or dependable servant in your home than Natural Gas.
